The Seller's permission to continue cutting shall not be considered a waiver of breach nor prevent it from considering such breach for purposes of asserting any other remedies available to it. It is agreed that the double mill scale sum is a reasonable estimate of the probable damages suffered by the Seller and shall not be construed as or held to be in the nature of a penalty.

² "Reasonable" in this contract is defined as fair, proper, just, moderate, and suitable under the circumstances, not arbitrary or capricious.

SALE TYPE, SCALING, HAULING AND PAYMENTS

15. **SALE TYPE**³ [select one of the following three choices and strike the others]

LUMP SUM SALE:

The Purchaser agrees to pay Seller an amount of \$_____, to be paid in full prior to the commencement of timber cutting, based on the volume estimates and unit values in Par. 17 Timber Products Table. The Seller is not obligated to return the payment or any portion of it in the event the Purchaser fails to remove all timber or forest products authorized for removal.

OR

SCALED PRODUCTS SALE:

FLAT RATE METHOD. The payment as established by the Price per Unit in Par. 17 shall be based on sawtimber, cordwood, or piece product volume as measured by product dimensions. **The price paid per board feet, cord or piece is a flat rate regardless of the quality, final destination or use of the cut product.** Hardwood less than 10.6 inches in diameter at the small end of the log, inside the bark (d.i.b.), shall be measured as cordwood and 10.6 inches or greater d.i.b. as sawtimber. For conifers, the division between cordwood and sawtimber is 9.6 inches d.i.b. Sawtimber with 50% or more cull shall be measured as cordwood. The volume shall be measured by _____ (name), an agent of the Seller / the Purchaser / the primary processing facility (the Mill or its agent) to whom the Purchaser delivers the product and to whom the cut product is sold [strike the choices that do not apply].

OR

SCALED PRODUCTS SALE:

GRADED PRODUCT METHOD. The payment as established by the Price per Unit in Par. 17 shall be based on the volume of *graded* products including fuel wood, pulpwood, sawbolts, sawtimber by grade, veneer by grade and piece products (such as posts and utility poles) by grade. **In addition to product dimension, the price paid depends upon the quality or intended use of the cut product or type of processing facility the cut product is destined.**⁴ The volume and grade shall be determined by _____ (name), an agent of the Seller / the Purchaser / the primary processing facility (the Mill or its agent) to whom the Purchaser delivers the product and to whom the cut product is sold [strike the choices that do not apply].

³ **Lump sum** and **scaled products-flat rate** methods are the most commonly accepted sale types. Landowners may have difficulty in finding purchasers willing to enter into graded product method sales, which are more difficult to administer.

⁴ For example, cordwood delivered to a paper mill would be paid for as pulpwood. Cordwood delivered to a sawmill would be paid for as sawbolts or sawlogs.

16. **HAULING PROCEDURE⁵ AND PAYMENT SCHEDULE FOR SCALED SALES** [select one of the following two choices and strike the other]

- OR** → **ON SITE SCALE.** No products may be hauled from the Seller’s property until scaled and paid for or payment has been arranged to the Seller’s satisfaction in writing. Removing products otherwise shall be a violation of this Contract and considered theft.
- OR** → **MILL SCALE.** The Purchaser shall keep a record of each load removed and its destination. Addresses of the Mills where wood products are to be delivered shall be given to the Seller before cutting begins. The Purchaser shall provide Mills with the Seller’s name and address for each load and request Mills to provide copies of the mill scale slips to the Seller within ___ days of receipt of the wood products. Failure to keep a record of any load and its destination shall be a violation of this Contract and considered theft. Payments shall be made according to the following schedule [pick one of the following three choices and strike the others]:
- OR** → The Purchaser shall pay the Seller for the products delivered to the Mill, as measured on the mill scale slip, within ___ days of delivery. The Purchaser shall include copies of the mill scale slips with payments.
 - OR** → Payment to the Seller shall be made in advance of hauling, with the value of the measured volume on the mill scale slips deducted from the Purchaser’s stumpage payment balance. The Seller agrees that advance stumpage payments shall not be used for any purpose other than the stumpage account and that any excess payments shall be returned to the Purchaser within 60 days after the last load is hauled from the Seller’s property.
 - OR** → The Mill shall make payments for delivered products directly to the Seller within ___ days of delivery by the Purchaser. Copies of the mill scale slips shall be included with payments to the Seller.

17. **TIMBER PRODUCTS TABLE**

The Purchaser agrees to pay the Seller the unit price for the volume of product by species that is harvested. In the case of lump sum sales, the unit prices shall be used for sale add-ons or calculation of damages.

Species to be Harvested	Product (Sawtimber, Cordwood, Posts, Poles, Biomass, etc.)	Estimated Volume	Price per Unit (MBF ⁶ , Cord, Piece, ton, etc.)	Total Value of Estimated Volume

| _____ | _____ | _____ | _____ |
| _____ | _____ | _____ | _____ |
21. The volumes of timber indicated in this Contract or other appraisal or cruise documents of the Seller are estimates. The Seller gives no warranty or guarantee respecting the quantity, quality or volume of marked or otherwise designated timber or forest products on the sale area.

⁵ Information about an additional "Ticket System" for log hauling is also available from DNR, but is seldom used on private lands.
⁶ "MBF" means "thousand board feet"
⁷ Mills may measure cordwood with a 4" trim allowance, resulting in 133 cubic feet.
⁸ Proposed weight conversions should be included in the timber sale prospectus.
