

PFAS

PUBLIC LISTENING SESSIONS

Attorney General Josh Kaul

Will Attend the DNR's December
Listening Sessions to Hear Your Concerns

DECEMBER 18

Noon – 2:00pm

6:00 – 7:30pm

**COMMUNITY
REC CENTER**

2501 Pierce Ave.,
Marinette, Wisconsin

**Listening Sessions
scheduled for 2020:**

Jan. 15 – Noon & 6:00pm

Feb. 19 – Noon & 6:00pm

The DNR has invited **Attorney General Josh Kaul** to the December public listening sessions to hear your concerns about PFAS contamination detected in the Marinette and Peshtigo area in soil, sediment, groundwater, surface water, private drinking water wells and biosolids. The December sessions are part of a series of listening sessions scheduled by the DNR.

Under the oversight of the DNR, Johnson Controls, Inc.—Tyco Fire Products (JCI/Tyco) began conducting a site investigation for PFAS contamination in Fall 2017. Additional sites have been identified where investigation work must be conducted.

Visit the Marinette/Peshtigo PFAS website for additional information:
