

May 10, 2012

Mr. Brad Lange
Director of Parks, Rec. & Forestry
1900 Libal Ave.
Green Bay WI 54301-2453

Dear Brad,

Thank you for helping us plant over 850 Packer trees throughout Brown County and making **First Downs for Trees** such a successful program! To celebrate, the Department of Natural Resources, along with the Green Bay Packers and Wisconsin Public Service cordially invite you to an event on May 24, 2012 at Lambeau Field.

On May 24th we will be marking another successful year by planting four trees in front of the Lambeau Atrium. In addition to DNR Secretary Cathy Stepp, we are also expecting the Chief of the U.S. Forest Service, Tom Tidwell, and Packers President & CEO, Mark Murphy, to be in attendance. We have also extended invitations to Governor Scott Walker and U.S. Ag Secretary, Tom Vilsack.

We invite you to join us at 10am outside the Atrium for this exciting opportunity to plant trees at Lambeau Field!

A handwritten signature in black ink that reads 'Tracy Salisbury'.
