SPOONER AREA SCHOOL DISTRICT	Spooner Area School District City Park Bike Trails Rehabilitation	Washburn	NO	Annie Loechler, 715-416-5020	\$6,910.00	\$1,727.50	The Spooner Area School District will utilize Recreational Trails Program funding to rent a mini excavator to fix erosion issues, build grade reversals, construct a small re-route to improve flow to fix user conflicts. The project will also include replacing unsafe trail bridges and conducting maintenance activities such as brushing, cutting, blowing and grooming.
VILAS COUNTY	Vilas County Deep Lake to Buckatabon Rehabilitation, 2022-23	Vilas	NO	Jeff Pennucci, 715-499-1424	\$57,676.00	\$14,419.00	Vilas County proposes to use Federal Recreation Trails Program funds to rehab about 2 miles of ATV/UTV trail on Snow Trail 13 in the Town of Conover, from Deep Lake Rd north to E Buckatabon Rd. Work will include adding breaker run and road gravel in the corners to help with sandy soil, and an asphalt approach where the trail comes out on the town road. The trail is open to ATVs and UTVs in the summer and snowmobiles in the winter.
VILLAGE OF OAKDALE	Village of Oakdale Multi-Use Trail 53 Rehabilitation, 2022-24	Monroe	WC	Kurt Byfield, 608-501-4274	\$101,264.84	\$27,260.00	The Village of Oakdale will utilize federal Recreational Trails Program funding to reroute & rehabilitate approximately 1,455 ft of snowmobile trail.
WOLF RUN ASSOCIATION, INC	Wolf Run Trail Association - 2023 Maintenance & Spur Development	Dane	SC	Cheryl Housley, 608-516-9560	\$52,800.00	\$13,200.00	Wolf Run Association (WRA) will utilize Federal Recreational Trails funding for maintenance of the Wolf Run Recreational Trail and trail corridor. The trail corridor runs from the Village of Mazomanie to the Wisconsin Heights School campus. The trail is a 2.1 mile crushed rock trail with a 0.25 spur trail to a covered bridge over the Black Earth Creek to a restored prairie. WRA also plans to develop a 1200-foot spur trail in a newly added 10-acre easement to the trail corridor, at the confluence of the Black Earth and Halfway Prairie creeks. The grant request is for equipment rental and supply purchases, professional maintenance labor and equipment, if necessary, and other maintenance costs. Ongoing trail and corridor maintenance includes maintaining trail surfaces and grass shoulders; mowing; tree removal and replacement; brush removal; bridge, boardwalk, table and bench upkeep; corridor maintenance and eradication of invasive plants and cleaning of the Two Bridges trailhead shelter. Clearing and mowing a path along in the new 10-acre easement area.
