

DNR Green Space and Public Facilities Grants
Round 3 Grant Awards, 2008-2009

| Grant Recipient | Date | Grant Amount | Project Name |
|---|----------------|---------------------|--|
| City of Shell Lake | September 2008 | \$19,000 | Shell Lake Airport Improvement |
| <p>Shell Lake will clean up soil contaminated with lead and arsenic that has hindered widening the runways at the Shell Lake Airport. The remedial action will include constructing a containment area on the airport property.</p> | | | |
| City of Beloit | March 2009 | \$99,950 | Riverside Park Expansion – Former Ace Hardware |
| <p>The city of Beloit will expand its Riverside Park over the area of a former Ace Hardware - which has been relocated. Grant funds will be used to maintain a cap over contaminated soil from historic industrial operations, resulting in the expansion of public green space along the Rock River.</p> | | | |
