Region	County	Description	Component	Costs	Total	Approved
NER	Oconto	As a result of negotiations between DOT, DNR, USFS and Town of Townsend, Oconto County will relocate approx. 5 miles of trial to eliminate a long-time illegal and dangerous ditch run along State Hwy 32 south of and into Townsend and connect north to Forest County. This will be the final piece of the Nicolet State Trail, and while technically a multi-use trail, it will see little use except ATV and snowmobile. **The total cost of development is being split 35/65 with ATV program as more work is needed to accomodate ATVs. total cost is $116,200.**	*Structure		$116,200	$118,450.00
