Please Describe the Work Completed To-Date as it Pertains to the Work Plan Below

[List Scope in 10-point font-Description]

## Progress on Goals and Objectives

- Are you on track to meeting each objective specified for your project?

[List Scope in 10-point-Description]

- Have you identified any barriers which could prevent you from meeting these objectives?

- What do you need from LIP to help you accomplish these goals and objectives? (ex. More time, changes to work plan, technical assistance, etc)

### Impact on Species

- Have you noticed an increase in number of individuals or frequency of use by any of the following species on your property since you began your LIP project? This could include changes in behavior including singing, nesting, expansion into new areas, etc.

[List Start-up Step-Benefiting Species In-10 point]

- Have you identified more at-risk species on your property since you began your LIP project? This could include the following spp known to be in the area or other species.

[List Start-up Step-Benefiting Species ½ mile-10 point]

- Have you noticed a change in the prevalence of invasive species since you began your LIP project? If so, what species and what is the trend?

### Transparency

- Was the application process clear and straight-forward enough? Can you suggest changes to improve it?
- Did you understand the criteria that were used to pick your project?
- Do you feel that the process is fair?
- Were you able to get help with your questions about the program?

### Quality of Program

- Did you find the LIP staff helpful and friendly?

- Were you able to get know the LIP staff (establish a relationship)?

### Urgency

- If you hadn't received funding from LIP, would you have missed an opportunity to preserve this habitat or protect a species?

### Importance of Program

- Would you have been able to achieve your conservation goals without the help of LIP, or were there other programs that could have helped you?
  
- How has your project complemented other conservation initiatives in your area?
  
- Have other landowners expressed interest in or inquired about the work you are doing?
