Organization name [Insert Customer name]
Project Title [insert Formal Name]
Project Leader [Insert Contact]
Address [Insert Street]
[Insert City], [Insert State] [Insert ZIP]

Report Prepared By (If not Project Leader): _____

Phone _____

E-mail Address _____

Grant Funded Period Dates: Start [insert grant start date] **End** [insert grant expiration date]

1. Briefly describe how well the project met the following goals and objectives as defined in the Grant Agreement.

[List Scope in 10-point font-Description]

2. Was the proposed project budget sufficient and were you able to accomplish all project goals, objectives, and work items? (If not, explain.)

3. What were some of the difficulties you encountered as you implemented your project?

4. What do you see as the impact of your project over the next ten years?

6. Have you noticed an increase in number of individuals or frequency of use by any of the following species on your property since you began your LIP project? This could include changes in behavior including singing, nesting, expansion into new areas, etc.

[List Start-up Step-Benefiting Species In-10 point]

7. Have you identified more at-risk species on your property since you began your LIP project? This could include the following spp known to be in the area or other species.

[List Start-up Step-Benefiting Species ½ mile-10 point]

8. Have you noticed a change in the prevalence of invasive species since you began your LIP project? If so, what species and what is the trend?

9. Additional Questions or Comments

- Please write the “story” of your project (1 page limit).
- With this completion report, enclose any media clips of your project, including news releases, in-house publications, and newspaper and magazine articles.
- Include at least three photos of your project.
