

II. GOAL STATEMENT & OBJECTIVES

GOAL

To preserve the scenic qualities of the Turtle-Flambeau Scenic Waters Area (TFSWA); protect plant and wildlife communities, especially endangered and threatened species; provide interpretive and educational information; and accommodate compatible recreational opportunities for the general public.

OBJECTIVES

- Protect, maintain and enhance the generally "wild" and undeveloped scenic beauty of the 327 miles of flowage shoreline.
- Protect, maintain and enhance wildlife populations, with particular emphasis on rare, endangered and threatened species found in the TFSWA.
- Inventory, conserve and maintain those areas containing unique biotic communities.
- Maintain a quality fishery and fishing opportunities for the many anglers who visit the flowage annually.
- Maintain or enhance facilities for the diversity of outdoor recreational opportunities which are available on the flowage, including boating, canoeing, camping, hunting, trapping, nature observation, and snowmobiling.
- Provide recreational access for the elderly and people with disabilities.
