TITLE: Reduced license fees for resident senior citizens

The Problem:

Fishing and small game licenses are already discounted individually for seniors but not when buying a Patron or Sportsman license. Senior citizens senses (hearing, eyesight, dexterity, and stamina) are not the same as younger counterparts, therefore they quit sooner and don't participate as often.

BE IT RESOLVED, that the Conservation Congress at its annual meeting held in Ashland County on April 14, 2008 recommends that the Conservation Congress work with the department to take action to correct this situation by introducing rule changes allowing a 40% discount in fees for Patron and Sportsman licenses for seniors 65 years of age and older.
