

**LIST OF COMMUNITIES IN WISCONSIN WITH WELLHEAD PROTECTION PLANS
(updated July 8, 2008)**

According to DNR records, the following communities have a DNR-approved wellhead protection plan for at least one municipal well or have voluntarily adopted a wellhead protection plan for one or more wells. Those with an asterisk (*) are those who have developed plans for all their wells. The DNR congratulates these communities who have taken this important step in protecting their water supply for the future.

1. Abbotsford, Marathon County
