- ◆ This list is compiled from information provided by businesses that wish to provide service to systems without a certified operator. The DNR does not hold any personal liability for the businesses listed above.
- ◆ If your system would like to designate a contract certified operator for your water system, contact Phillip Spranger at (608) 266-5240 and provide the certified contractor's name and license number.
- ◆ Businesses who appear on the list must comply with all regulations associated with operator certification according to the Wisconsin Administrative Code Chapter NR 114, Subchapter III.
- ◆ This list is maintained and regularly updated. If you would like to be added or removed from the list, contact Phillip Spranger (608.266.5240 or phillip.spranger@wisconsin.gov) of the Wisconsin Department of Natural Resources.
