

**Citizen Advisory Committee (CAC)  
Knowles-Nelson Stewardship Program  
Public Access Administrative Rule**

**Committee Charge:**

To provide commonly agreed to advice to the DNR for development of the access rule by:

1. Identifying situations where one or more of the five NBAs may be prohibited (or restricted).
2. Identifying situations where one or more of the activities should not be prohibited (or restricted).
3. Defining usership patterns
4. Defining a review process

**Ground Rules:**

- Start on time. End on time.
- One person talks at a time.
- Stay on task. Stay on topic.
- Suspend judgment (unconditional positive regard)
- Contribute. Be engaged and involved.
- Have fun!
- Member attends. If must send a sub, they should be up-to-speed.
- All data/information requests come through the committee.
